

don't waste your time. it's
few and futile. remake the
world, you beautiful bright
thing.

remake the world.

*this one's for me. and all the
rest.*

i have grown one inch in the
past year

which means almost next to
nearly nothing

to you

but let me tell you

when i say i've grown one
inch this past year

i mean

i look in the mirror and see
someone beautiful

i look down the streets

and see the reflections of
god in all his glories
