

Contact Lisa

This course is all about you, but unless you tell me what you need or any problems you're having, I can't help you. Thus, contact me when you have questions or concerns. While I have some ways to contact me below, I'm always open to finding a mutually convenient

time and place that works for you.

I will be in my office CPR 360 for office hours in the time immediately preceding our class so from around 1:00pm-3:00pm every Thursday.

You can also schedule an appointment at another time by visiting my calendly page: <https://calendly.com/meloncon/general-meeting>

You can reach me at meloncon@usf.edu or you can text or call me at 803-370-0008.

And it's always helpful to get to know a little about where I come from so you can learn more at my [professional site](#).
